How we will use our feedback

As well as formal feedback from the forms, we will also collect data from informal feedback like social media, thank you cards, comments during visit etc.

We will use this data to:

- To improve customer care
- Collect forms and review regularly – look for patterns
- Act immediately on any negatives, try to convert into positive. (Any safety issues are an urgent priority)
- Identify areas for improvement/ what is working well
- Build a data base, for future publicity e.g. events/ newsletters
- Feedback good and bad to staff. Highlight areas of cpd if required.
- To support future funding applications
- Use nice quotes in marketing
- To confirm if learning objectives have been met.
- Plan future development
